It's nearly Father's Day, which means taking your dad out for dinner or an edible token of your affection. We've rounded up a few creative options...

**Havana Central 151 W 46<sup>th</sup> St. (btwn. 7<sup>th</sup> Ave. & Ave. of the Americas) (212) 398-7440 [www.havanacentral.com](http://www.havanacentral.com)**

If your father's an occasional cigar smoker, Havana Central's a great place to take him. \$39 will get you the special "Celebration Package" at this classic Cuban restaurant. It includes a bottomless Presidente beer, dinner, a hand-rolled cigar, and a portrait taken with the rest of the family. And \$5 mojitos all day.
